

A Visit to Stonor House, Gardens and Park

Wednesday June 4th 2025 at 10:30am

This will be a self-drive visit to Stonor House and Gardens which have been in the family for over 850 years – one of the oldest family homes still lived in today. On our guided tour you will discover art and treasures collected from across the globe and view historic maps and documents that reveal generations of service to the country.

After a light quiche/salad lunch you will be free to visit the gardens and grounds.

The lush parkland of Stonor is set in a sweeping valley in the heart of the Chilterns. There are three gardens to explore – the walled medieval garden with ponds and fountains dating from the 17thC, the Italianate Pleasure Garden as well as the Old Kitchen Garden and beyond that the Arboretum (more information can be found on the website stonor.com).

On arrival please go to the designated Parking Area where you will be met . Nearby are WCs – the only ones available to guests.

10.30am- meet for tea/coffee in the Old Hall.
